#1 opening ceremony

What if the  
system to decide  
what's right is  
wrong?

I can't sleep at all!  
So I'll type it...

I know there's no  
turning back in this  
life, and I never  
thought this is  
happening to me!

out of all days, why  
it's happening in  
TikTok day!!

if somebody still  
wakes at this time...

would you mind  
listen to my  
story...?

It all started in the first day of opening ceremony...

HA...  
WHAT A NICE  
WEATHER!

This is just how me  
as the high school  
student...

...THANKS...

during the winter  
before I succeeded  
losing some weight!

お正月 (New Year's)

I missed my depressing days  
as "fatty pig" and that is  
also where my first decided  
to lose so many weights...

BEFORE

AFTER

After I succeeded my  
program, I bought  
padding jacket.

then... bag and  
shoes as well.

and for the first time  
in my life, I bought  
my best style

it's not right to say  
something like that,  
nah...

TODAY SEEMS  
TO BE MY SPECIAL  
DAY!

HA... IF I CAN DO  
MY BEST, THERE  
MIGHT BE  
SOMEBODY CALL  
ME PRETTY.

HAH...  
WHAT IF I GOT A  
BOYFRIEND?  
GAAH...

EH?

YOU'RE REALLY NARU!  
IT'S BEEN LONG TIME  
HNT IT-?

SOMETHING WRONG

Even though just moments ago I have  
this feeling that I will become the  
main character of the story

suddenly, out of the blue  
I realize that I just a mere  
extra...

IS IT BECAUSE I WAS  
TOO ENTHUSIASTIC
